

ADULT CAT • LESS ACTIVE AND SENIOR

This low-calorie formula is adapted to the specific needs of less active cats that are slightly overweight or elderly. The calorie, protein, and fat content has been adjusted to provide the necessary energy and nutrition, while helping your pet maintain its ideal weight.

In addition to providing all the basic ingredients cats need, this formula contains 29% protein. The fat content has been reduced to 9%. In order to strengthen the immune system of your cat, Pronature has added good essential fats like the omega-3 contained in flaxseed.

INGREDIENTS: Chicken meal, ground yellow corn, brewer's rice, ground whole wheat, corn gluten meal, beet pulp, chicken fat preserved with mixed tocopherols, natural flavor, dehydrated yeast culture, lecithin, whole flaxseeds, choline chloride, potassium chloride, calcium propionate, salt, dehydrated cranberries, rosemary extracts, *Yucca schidigera* extracts, whole thyme, vitamins and minerals.
