

This formula consists of lamb and rice, two ingredients that help digestion and are a good choice for dogs with allergies. In this formula, lamb is the only source of animal protein, and the only source of fat is vegetable oil. With this formula the digestive system of dogs with allergies will be protected throughout their adult life and it will allow them to draw full advantage from their food and avoid health problems.

It is adapted for all dog breeds and contains 22% protein and 12% fat. In addition, it contains spinach, a powerful antioxidant which is rich in beta-carotene that promotes a strong immune system and healthy body tissue.

INGREDIENTS: Lamb meal, brewer's rice, ground yellow corn, ground whole wheat, corn gluten meal, ground barley, vegetable oil naturally preserved with mixed tocopherols, beet pulp, natural flavor, dehydrated alfalfa, dehydrated yeast culture, potassium chloride, lecithin, monosodium phosphate, calcium propionate, salt, choline chloride, rosemary extracts, *Yucca schidigera* extracts, dehydrated spinach, whole thyme, vitamins and minerals.
